Hoorah! Traffic Enforcement

HOORAH! ----- WOODCREEK NORTH NOW HAS TRAFFIC ENFORCEMENT: ON Tuesday, July 31, 2007 commissioner Conley presented our petition for traffic enforcement to the Hays County commissioners. The petition was presented so that we will have traffic enforcement. WPOA still has to meet with Hays County Sheriff's Office and Hays County Roads Department so they can show us where we need to install additional signs.

Woodcreek Property Owners Association would like to thank Commissioner Will Conley for his efforts on behalf of our community. We could not have done this without his assistance. Commissioner Conley is very easy to reach and does return his calls so if you would like to reach him call 847.3159. We also want to thank Mickey Trent, resident and Editor of The Ridgerunner, for all her help in these daunting tasks!
