Aqua Texas water line replacement continues in Woodcreek North. Hays County is in charge of inspecting the work and the roads so if you have any questions or concerns you are encouraged to call Todd Spencer at 512.738.2555. Todd has been doing an excellent job monitoring the project. Todd also oversaw the bridge work the County performed on the two bridges on W. Valley Spring Road.

Speaking of Aqua Texas, attached you will find a form letter you can send to TCEQ if you wish to protest the rate increase. Just fill it out and send it in.
